TAPESTRY ONLINE LEARNING JOURNAL

Tapestry is an online system enabling a two way sharing of your child's learning during their year in Reception. It is a website which can be accessed on a computer or laptop, and also on any Apple or Android device such as a tablet or smartphone.

Parents and teachers alike will be able to upload photos, videos and observations for information sharing. Comments can also be added to further enhance the communication between home and school. You can be emailed to alert you that something new has been added to your child's account and you will be able to show extended family the online journal whenever they visit you.

The safeguarding of your children is very important to us. Everything that is added to Tapestry will be added to our school account and can only be viewed by the school staff that use the system and also yourself, using your own log on. You will only have access to your child's journal and this cannot be seen by other parents. Also, it is crucial that you do not share photos or videos from your child's journal on any social media or through other online platforms. Any incidents where this confidentiality is broken will be dealt with very seriously and will result in your access to the system being withdrawn.

We think this is an effective communication tool and it is Miss Walker's intention to use it to smooth your child's transition in school by uploading some videos before they start in September which can be revisited as frequently as you like. Tapestry have provided the answers to some frequently asked questions which we have attached and hopefully will inform you. The Tapestry website is <http://eyfs.info/tapestry-info/introduction> if you would like further information.

Please do not hesitate to contact us if you have any queries.
