

Y1 Topic Leaflet Autumn 1

Welcome to Colehill

In this Colehill-inspired topic, we will be learning about our wonderful village of Colehill and finding out about Tim Berners-Lee, the British computer scientist inventor of the World Wide Web, who lived in Colehill. We will also learn how Colehill is surrounded by fields and woods, and be able to identify village, factory, farm, forest on an aerial view of Wimborne.

In our English lessons, we will be reading the hilarious retelling of the Three Little Pigs by Jon Scieszka. In this book, the Big Bad Wolf has his chance to tell his side of the story! Using the book as inspiration, we will use drama to retell the story and write a character description for a 'Wanted' poster. We will also be writing instructions for the Green Cross Code as part of PSHE, alongside 'Fake is a Mistake' in Heartsmart, where we'll think about how we don't need to pretend to be something we're not - we're all amazing and unique in different ways. 😊

In Science, we will be observing using our senses and begin to make observations about what we see, hear, smell, taste and feel.

In Art we will be looking at Wallis Kandinsky and will create our own artwork inspired by his 'Circles in Squares' piece.

We also hope to enjoy a local walk, and have visitors from the local community.

English	Fiction: The True Story of the Three Little Pigs, The Three Little Pigs (Fairy Tale), Mr Wolf’s Pancakes by Jan Fearnley, Michael Recycle by Ellie Bethel Poetry: AA Milne - Now We Are Six Writing: Instruction Writing: Directions around school, Green Cross Code and How to Plant Seeds; Descriptive sentence writing about features in the local area; Re-telling 3 little Pigs drama; Character description - Wanted poster (ICT) Class Reader(s): Claude		
Science	Science investigations Observing using the senses Begin to make observations about what they see, hear, smell, taste and feel Make predictions based on observations	Maths	Number: Numbers to 10 Number: Addition & Subtraction Shapes, patterns and positions
Geography	To know that Colehill is part of a town called Wimborne Mapwork and Geographical Patterns Identify a town, factory, farm, forest on aerial view of Wimborne or Verwood	Computing	Understand what is meant by technology Logging on in the computer suite and to key websites such as Google Classroom.
History	Person within living memory - Tim Berners-Lee (link to computer science), the British computer scientist inventor of the World Wide Web. Lived in Colehill.	RE	Creation The Creation Story Looking after the world
Art	Portraits and Wallis Kandinsky Block printing and paint Drawing/colouring with wax crayons	PSHE	Green Cross Code Heartsmart: Fake is a Mistake
DT	None this half term.	PE	Forest School - outdoor Fundamentals - indoor
Music	Charanga - ‘Your Imagination’ To identify when the mood of a piece changes and to
